

Siempelkamp

Siempelkamp India Private Limited
a member of Siempelkamp Maschinen -
und Anlagenbau

**AREA OF WORK IN
PROJECTS RELATED TO
COMPLETE WOOD BASED
(MDF, PB, OSB, Plywood ETC)
PLANTS & METAL FORMING
PRESSLINES(forging, forming etc)**

**ERECTION AND COMMISSIONING
MECHANICAL AND HYDRAULIC SYSTEMS**

**DESIGNING AND SUPPLY OF PLC BASED
CONTROL SYSTEMS AS PER PROCESS NEEDS**

PLC PROGRAMMING

**ERECTION AND COMMISSIONING OF
ELECTRICAL AND PLC BASED CONTROL
SYSTEMS**

**DESIGN , MANUFACTURING AND SUPPLY OF
ELECTRICAL PANELS**

PROJECT MANAGEMENT

**DESIGN AND SUPPLY FOR UPGRADATION OF
SUB SYSTEMS FOR WOOD BASED LINES**

SALES SUPPORT FOR NEW PLANTS

**PRODUCTION SUPPORT &
ONLINE AND OFFLINE
SERVICES FOR ALREADY
COMMISSIONED LINES**

COMPANY

Siempelkamp India Private Limited was incorporated on 10 February 2010. It is involved in projects related to the wood based, metal forming/ forging & cord rubber belt manufacturing industries in sales consultancy, design and supply of Software and electrical systems customized for the required process along with services related to pre and post commissioning of the lines.

The Siempelkamp India is also involved in Erection and Commissioning of machinery and plant Supplied from Germany which includes Hydraulic press lines and complete plants for the wood-based panel industry, large presses in the area of metal forming and special presses for the rubber industry.

Siempelkamp India also does the engineering, design and construction of the equipment along with our parent company based in Krefeld, Germany. Our range of services also includes the automation and startup of plants as well as spare parts, delivery and installation services extending over the operating life of our equipment. Furthermore, we offer retrofits and modernizations.

Siempelkamp India operates from two offices in India and a contact centre in Chennai. The Head office is at Kolkata & Software Development, Programming Office is at Pune.

SERVICES WE OFFER

- Planning and implementation of retrofits and modernizations
- Sale and supply of high-quality spare parts at competitive prices
- Sales support and Consultancy for new projects
- Design and supply of electrical control systems
- Project Management
- Maintenance and service for existing plants
- Production support & online and offline services for running plants

1. Erection, Installation & Commissioning of Press lines for wood based and metal forming industry

- Electrical Installation
- Hydraulics Installation
- Mechanical Installation
- Machine and plant engineering
- Engineering and Service

2. Software Development

- SW programming
- HW design and supply
- Circuit diagrams & I/O lists
- HMI systems

ABOUT OUR PARENT COMPANY

The Siempelkamp Group is a technology supplier operating internationally and consisting of three business units: the machine and plant engineering, the foundry technology, and the engineering and service business unit. Siempelkamp machine and plant engineering is a systems supplier of press lines and complete plants for the wood-based panel industry, the metal forming industry as well as the composite and rubber industry. The Siempelkamp foundry is the world's largest hand-molding foundry producing castings with a weight of up to 320 t (353 US tons). Siempelkamp engineering and service is a component supplier and service provider for nuclear facilities.

PROJECTS HANDLED

Siempelkamp India List of Projects – Mechanical/Hydraulic & Electrical

Nr.	Customer Name	Country	Wood/Metal / Others	Description of Machine
1	BHEL ,TRICHY	INDIA	METAL	80 MN PLATE BENDING MACHINE
2	TATA MOTORS LIMITED	INDIA	METAL	50 MN SIDE MEMBER PRESS
3	KLT AUTOMOTIVE,DAIMLER	INDIA	METAL	50 MN SIDE MEMBER PRESS
4	SMK,STUPINO,RUSSIA	RUSSIA	METAL	100 MN & 46 MN FORGING PRESSES
5	MS GLOBAL INDIA , DAIMLER	INDIA	METAL	50 MN SIDE MEMBER PRESS
6	DSP , DURGAPUR	INDIA	METAL	63 MN / 12 MN WHEEL & AXLE PRESS
7	NANSHAN , CHINA	CHINA	METAL	500MN & 125MN FORGING PRESSES
8	GOLDSKY HUNAN ,CHINA	CHINA	METAL	TITANIUM FORGING PRESS
9	JAIN FARMS LIMITED	INDIA	SPICE GRINDING	PPS 6 180
10	AGRIPURE NATURAL FOODS	INDIA	SPICE GRINDING	PPS 8 240 & PS4 - 5 (2 Machines)
11	AACHI MASALA	INDIA	SPICE GRINDING	PPS 6 180
12	ARCONIC KOFEM Kft	HUNGARY	METAL	7200 T / 5400T / 540 T
13	ACTION TESA	INDIA	WOOD	MDF PLANT
14	RUSHIL DÉCOR LTD	INDIA	WOOD	MDF PLANT

OVERVIEW OF PROJECTS

8000 T , Plate Bending Hydraulic Press - BHEL , Trichy

Erection and Commissioning of the Complete Press along with our principles and Production Support

5000 T , Frame Side Member Press - KLT , Daimler , Chennai

Complete Erection and Commissioning of the Press along with our principles and Production Support

5000 T , Frame Side Member Press - TATA MOTORS , Jamshedpur

Changing of Main Cylinder Piston Rods and Changing of Moving Beam (100 Tons)

5000 T , Frame Side Member Press - MSGI , Daimler , Chennai

Complete Erection and Commissioning of the Press along with our principles and Production Support

5000 T , Frame Side Member Press - ASHOK LEYLAND , Hosur

Upgradation of PLC and Software Programme of the Press along with our principles.

6300 T / 1200 T , Wheel Forging Press - SAIL , DSP , Durgapur

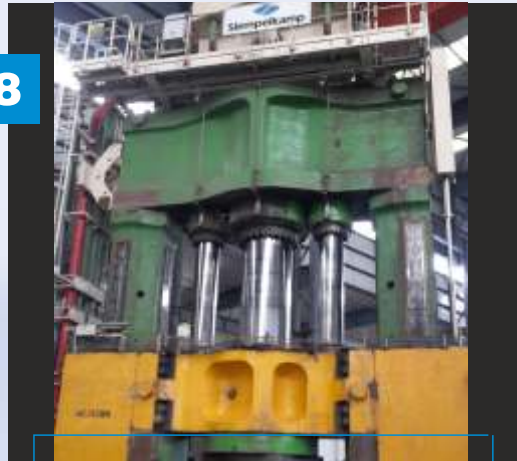

Upgradation of Hydraulics including PLC and Software Programme of the Press along with our principles.

7

50000 T & 12500 T Aluminium Forging Press - NANSHAN , China

Technical & Production Support for Hydraulic and Mechanical Trouble Shooting during Regular Production

8

4000 T & 4500 T Titanium Forging Press - GOLDSKY, China

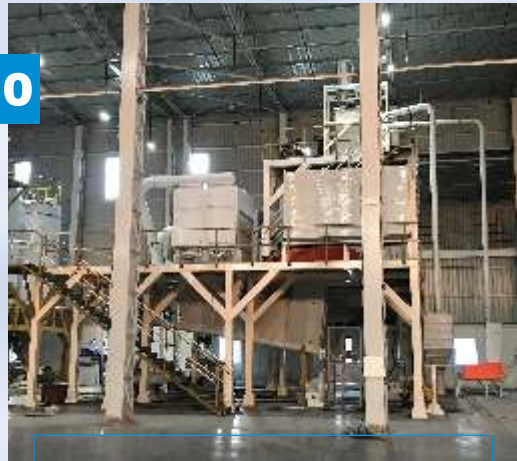

Service Support

9

RUSHIL DÉCOR - MDF PLANT

Erection and Commissioning of MDF Plant along with our Principles from Germany.

10

AGRIPURE - Spice Grinding Mill

11

MDF Press

12

MDF PLANT
